

Looking for Volunteers?

Looking for more mentors? Join the Marion County Mentoring Partnership, the Youth Development Network and Oregon Mentors for tips on how to bring more volunteers into your program. Participants will discuss their target audience, write targeted messaging, see examples of a mentor recruitment plan, make a pitch for volunteering targeted to mentor motivation, and learn about research on mentor recruitment from CNCS, MENTOR, and Oregon Mentors.

We will begin with our January Marion County Mentoring Partnership meeting and then present the training.
