

Links to Learning: **Connecting Afterschool Competencies and Standards**

Lincoln City

May 6, 2010 9:00-12:00 Community Center
2150 NE Oar Place, Lincoln City, Oregon 97367

Join us for great discussion and networking at the regional event on May 6, 2010. This training opportunity will help participants get an overview of Oregon's Core Competencies for Afterschool Professionals and Quality Standards for Afterschool Programs; inviting feedback and discussion about what it is to be an afterschool professional in Oregon.

A certificate for two hours of training in the Personal, Professional Leadership Core Knowledge Category will be available.

In addition, you can learn about our Supporting Student Success work that will be focused on systemic changes within Oregon to support afterschool.

Your feedback and insights will help guide the future of the field of Afterschool in Oregon! Join us in this important and timely work!

For registration information please contact **Leilani Esping** or **Lynn Kneeland** at Oregon**ASK**, 503-540-4481 or send an email to afterschoolresource@wesd.org.
